UNIFORM STALL APPLICATION — CONDITIONS APPLICABLE TO OCCUPATION OF STALL SPACE AT CALIFORNIA RACING ASSOCIATIONS

The undersigned Trainer ("Applicant") hereby agrees to each of the following terms and conditions in consideration for and as a condition of the granting of permission by the Racing Association designated on the reverse side of this application ("Track") for the stabling of horses being trained by the undersigned at Track, or at any approved auxiliary training facility, during the race meeting identified on the face of this application (the "Race Meet").

- Track reserves the right without notice to the Applicant, (a) to refuse this application for stable space in whole or in part, or (b) to refuse the entry or the acceptance of any entry in any race or (c) to refuse the transfer of an entry for any cause, so long as said refusal is not in violation of the terms of the race meet agreements with either the Thoroughbred Owners of California or California Thoroughbred Trainers.
- If any horse is denied stable space or the privilege of registration for racing for any reason, all nomination fees and payments for eligibility to stake races that have been paid with respect to the horse shall be refunded and such sum will be deducted from the total amount subscribed for the particular race or races. Allocations of stall space are made only with the agreement of Applicant that Track reserves to itself the exclusive right, in its sole discretion, to enter, modify, alter, or change the physical condition or use of its facilities; that the permission granted to Applicant to use Track's facilities is solely for the purpose incidental to racing, does not constitute a lease of the facilities and Track maintains the sole interest in and exclusive control of its premises and facilities; and the Track reserves to itself the exclusive right and sole discretion to reduce or totally eliminate the number of stalls or other accommodations assigned and/or change the location of stall or accommodations assigned to Applicant.
- After submitting this application for stalls, the undersigned shall notify Track immediately of any change in stall requirements and, if stalls have been allocated, of any shipping schedules or changes in shipping arrangements.
- Applicant has inspected the stalls and other accommodations at Track, or if applicable at any approved auxiliary training facility, and agrees to accept any stalls or accommodations assigned pursuant to this application in an "as is" condition. Applicant understands that Track makes no representation or warranty as to the condition or use of stalls and other accommodations assigned.
- Applicant agrees to remove his horses and/or those in his possession, charge, or control together with all personal property belonging to him or of which he has possession, charge or control from Track forthwith upon the expiration of seventy-two (72) hours after Track has given notice in writing to vacate the stabling accommodation, which notice may be given in the absolute discretion of Track without any reason or cause existing or being stated or given; any such notice or any other given hereunder shall be sufficiently given by posting up such notice on some portion of the stabling accommodation allotted to him and such notice shall be deemed to be given at the time when the same is posted up. The Applicant understands that his employees shall leave Track, forthwith upon the expiration of seventy-two (72) hours after notice has been given as aforesaid. Applicant agrees that if upon the expiration of the said seventy-two (72) hours notice heretofore mentioned, any horse or horses or personal property belonging to him or in his possession, charge or control, have not been removed from Track, Track shall be entitled to remove the same from Track without further notice to a suitable location at Applicant's expense and Track shall in no event be responsible for any such horse or horses removed as aforesaid. Applicant agrees that in the event of the horses being stabled elsewhere at his expense as aforesaid that the person, firm or corporation stabling the horses or paying for the stabling of same shall have all the rights as provided by law.
- The undersigned Applicant represents that Applicant is familiar with and has read the Rules of Racing and Regulations of the California Horse Racing Board, and all conditions applicable to the Race Meet, as well as the rules and regulations of Track, and agrees to be bound by and to comply with the same. All stable reservations and entries in stakes and all other races shall be subject to all conditions, rules and regulations of the California Horse Racing Board and Track and in this application contained. Applicant represents that the owners of all horses listed on the reverse of this application have authorized Applicant to sign this application and have agreed that their horses being trained by Applicant will be bound thereby. All references herein to Applicant's horses, equipment, agents or employees, shall include said owners and their horses, equipment, agents and employees.
- The Stewards of the Race Meet or the California Horse Racing Board shall decide all disputes, claims and objections relating to the conduct of racing, or with respect to interpretation of any rules or conditions of racing or otherwise. Subject to all legal rights of appeal, Applicant agrees to accept and abide by all decisions of such officials pertaining to the presence or conduct of themselves or of their agents and employees on the premises of Track.
- In all stakes, entries may be made only through the entry box by the usual time of closing of entries, on the day before the race, or at other times when the conditions for the race specifically so state.
- Subject to any required approval of the TOC, Track reserves the right to cancel any stake or other race, which has not filled prior to the actual running thereof without liability to any person, except for the return of nomination and entrance fees, paid. Track reserves the right to divide the added money for any stake that is run in more than one division.
- Horses claimed by, or transferred or sold to, any person or stable which is not registered for racing at Track must be removed from the grounds within twenty-four (24) hours after they are claimed, transferred or sold unless their continued presence is approved by the racing association then conducting racing at Track.
- Track will in no event be considered to have responsibility for the care, custody or control of horses kept at Track or elsewhere. Applicant assumes full responsibility for the safety and well-being of all horses stabled by Applicant at Track, and agrees to take all reasonable measures for the protection of such horses, including providing adequate supervision for such animals while on the premises, hiring competent personnel to care for such animals at all times, cleaning and maintaining stalls assigned pursuant to this application and removing any hazardous condition from such stalls which is known to Applicant or Applicant's employees, or if Applicant believes that such condition should be remedied by Track, promptly calling to the attention of Track in writing, any such hazardous conditions. - The Applicant understands that there may be numerous hazards and risks of injury to Applicant, and Applicant's agents, owners, or employees, upon the Track premises at Applicant's invitation and to their property, which hazards, and risks inherently incidental to accepting stalls at, practicing for, and participating in thoroughbred horse racing at Track.

in hiring employees. Applicant acknowledges that his/her stable personnel are employees of the Applicant and that no employment relationship exists between such stable personnel and Track.

- In making this application to participate in thoroughbred racing, Applicant understands that an investigative report may be made whereby information is obtained by Track through personal interviews with third parties, such as family members, business associates, financial sources, friends, neighbors, or others with whom he is acquainted. This inquiry may include information as to his/her character, general reputation, personal characteristics and mode of living, which may be applicable.
